Slip in a strong offer with buckslip printing

Buckslip printing is a perfect way to promote an offer or special deal in your regular mailing to customers. Include a timely offer or two in the same package as your monthly billing invoice, often without additional postage costs. Whether you want to stimulate renewals, promote a year-end sale, or introduce a new product, buckslip printing is the perfect medium.You can also partner with a company that provides complementary services, using buckslips to promote each other's company. Buckslips are lightweight and an easy and effective way to reach your target audience.
